THE SCHOOL SONG

When Grenville sailed from Bideford
Four hundred years ago,
And the little Revenge dropped down the tide,
To meet her Spanish Foe,
And Devon men the whole world through
Ruffled it to and fro,
By unknown hands a seed was sown,
From which our school has slowly grown.
While ever the Old Bridge spans the stream,
Or ever the Torridge flows,
and Bideford is Bideford
And England England knows,
Our School shall stand, and still the same
Add lustre to her glorious name.
Into the world her sons go forth,
Yet ever home return
From far and near to Bideford,
Once and again they turn,
For in their hearts undyingly
The fires of longing burn,
To see once more the school they knew,
Where joys were keen and sorrows few.
While ever, etc.
